

## STITCH SAMPLER SHAWL

### SLIPPED STITCHES:

This month's stitches are slipped stitches, done in up to 4 colors. I used 3 solid colors and 1 variegated to get spectacular results!

Color A: Light to medium color

Color B: Variegated

Color C: Dark

Color D: Dark

**When doing these slipped stitches, these stitches are slipped on the right side of the fabric.**

On the right side slip with yarn in front (Slwyif) and when working the wrong side, slip with yarn in back (Slwyib)

T3tbl: K 3 together through the back loop

On Section 19, leave the slipped stitches loose

Continue to do your border stitches at the beginning and end of each row so that your scarf or shawl will lie flat and not curl.
